

November 13, 2008

Dear Parents,

Thank you for your participation in the various Christmas Bazaar requests. These donations help to make this enjoyable day a huge success! Please remember to come back on Saturday for a family dinner and Santa! The students may dress down in their holiday colors for bazaar day.

Congratulations to Aileen Walsh, Aileen's art work was selected out of over 700 entries to be published as a calendar page for the upcoming DARE Calendar. We are looking forward to displaying the calendar.

Last week's Internet Safety presentation at our Home and School meeting was sparsely attended. The topic was vital to your child's safety online. I am including some information that was part of the presentation and I strongly suggest that parent's visit and use the Netsmartz lessons to help educate even our younger children.

Another safety point much closer to home is the continued stopping and dropping off in front of school. This is a very dangerous practice. Accidents have happened in the past and we don't want a tragedy to happen. The licenses of cars stopping to drop off at the barricades and in front of the building are being gathered and given to the police. If you stop there you are endangering the students who are crossing at the barricades. Once again I beg you to drop off on the other side of the bridge or on Woodland St. next to the church. And please do not try to go around the barricades when they are in place. The children believe they are safe to walk when the barricades are in place.

Looking to become involved in your child's school community? Think about joining the Technology Team, The Development Team or become a lunch monitor! The Teach Team is meeting this evening at 7PM.

Reminders: No School- Nov. 14<sup>th</sup>, Boys Varsity Soccer Game- Friday 7PM at Jardel(come support the team), Nov. 26<sup>th</sup> .Bazaar-Nov. 21<sup>st</sup> and 22<sup>nd</sup>, Thanksgiving Prayer Service.

Thank you for your "family links" to our November Prayer chain (for all living and deceased members of our families); we pray for all these people every day in our morning prayers.

Sincerely,

Mrs. Nancy Scharnikow
