

# SANTA'S SECRET WORKSHOP

Santa's Secret Workshop is a traditional favorite at the Christmas Bazaar each year. This table allows our children to get started on their Christmas shopping to purchase gifts for those special people in their lives. Additionally, it provides them an opportunity to manage their money and choose the perfect gift. Note that we have several volunteers at the table to assist our children with this task.

Gifts at Santa's Secret Workshop are mostly priced under \$5.00 however, there are a few items marked slightly higher.

Once you've figured out how much money you plan to give to your child for the bazaar, we ask that you go one step further and provide your child with a few guidelines. Be sure to discuss how much of their money should be used to purchase Christmas gifts and how much they are free to spend as they choose.

Money should be placed in an envelope and labeled with your child's full name, grade, and room number. This will make it easier for your child to keep their money safely together and should they leave their envelope behind, we will be able to promptly return their envelope to them.

Thank you!
