

# WE NEED YOU!!!!!!

A few years ago Mrs. Ramirez a parent, began an after school Spanish Class. Many of students benefited from this wonderful opportunity. This class was held from 2:45 to 3:30 every Tuesday for as many weeks as Mrs. Ramirez choose. The class was very popular and enjoyed by all involved.

I am sure there are other talented parents who might like to share a hobby, a craft, or a skill with our students. Some examples might be photography, knitting, cooking, cake decorating, dancing, candy making, coin collecting, art, etc.

You determine the number of sessions, grades included and the length of the class. If you would like to discuss the possibility of sharing with the children please complete the bottom of this form and return it to school by Friday.

Thank you for considering this as an opportunity!
