

## Presentation BVM School 2011 Tax Return Technology Pledge

*Presentation BVM School* is committed to the education of our students in the field of technology. We are an educational environment that is looking and planning ahead to best prepare our students for their future. To quote a *Pres* graduate, "I must admit that the effects of the basic grade school computer lessons influenced my abilities and goals. Even in the college courses that I am presently taking, I can still rely on my grade school lessons."

Pledging a donation from your 2011 tax return will help us achieve these goals. We welcome you to see the achievements already made and the vision of our future in technology.

I would like to pledge ( ) \$15.00 ( ) \$25.00 ( ) \$50.00 ( ) Other \_\_\_\_\_  
to Presentation BVM School to be used in the advancement of technology for the students.

When I receive my tax return I will send a check in the amount I have pledged to the school office, marking the envelope "*Technology Pledge*".
