A colorful illustration of a Santa hat with a red band and white trim, set against a green background.

'Twas the month before Christmas, and all through the school
All the students were praying for a great new tool
To help with their studies, to keep them aware,
And hoping that many kind donors soon would be there!

Visions of sugar plums? No way! The students of Presentation B.V.M. School have visions of a net book cart dancing in their heads. A net book cart is a cart that stores and charges anywhere from twenty to thirty laptop computers. Many classrooms can then share these computers because the cart enables the laptops to travel from room to room. Unfortunately one cart with the necessary net books costs thousands of dollars.

So would you like to be St. Nick? You don't have to hire a sleigh or feed the reindeer, you don't have to dress up, and you don't even have to slide down a chimney! All you have to do is donate some money to the Presentation B.V.M. School Technology Fund.

Even easier! There are no raffle tickets to fill out, nothing to buy! This is a decision-free fundraiser.

Here's how you can help to make our vision a reality:

- 
- A green Christmas tree decorated with red and gold ornaments, topped with a yellow star. A laptop computer is positioned at the base of the tree.
- ♥ Write a check to "Presentation B.V.M. School". Write "Technology" in the memo field. Then place it in the collection basket at church or send it into school.
 - ♥ Place some cash in an envelope. Label the envelope "Presentation B.V.M. School Technology Fund" with or without your name. Then place it in the collection basket at church or send it into school.
 - ♥ Even easier! Donate the money you have already earned by buying scrip directly to the Presentation B.V.M. School Technology Fund. Just tell the scrip seller that you want to make a donation of your already accrued funds, and he/she will make it happen.

Thank you for all the you already do for us. You are always in our prayers. If you are unable to help at this time, please pray for us and for the generosity of others.

Presentation B.V.M. School Tech Team
