

Support Our School

How can you help your child's school? There are many "free" ways to help your child's school.

Listed below are some of the most popular and profitable ways to help!

Box Tops for Education- The "Box Tops for Education" Program is a rebate program sponsored by General Mills Corporation. Presentation BVM School receives 10 cents for every Box Top up to \$20,000 per school year. By clipping Box Top for Education point certificates located on hundreds of General Mills, Betty Crocker, and Yoplait products and sending the coupons to SPN, you can help the school earn additional money. The coupons can be sent into school through your child's teacher or placed in collection bins located in the back of church.

Avery Has joined Box Tops- Avery is proud to be the first office products company to participate in the Box Tops for Education® program. Clip Box Tops for Education® from over 500 participating Avery school and office products and give them to Presentation BVM School. If your office purchases Avery products and you would like to donate the Box Tops to school, we would be more than happy to provide you with a flyer to post in your office! If your office supports our school by donating Box Tops, we will be sure to mention your donation in our marketing materials.
