## Emergency Closure Information Form (revised 6/08)

Dear Parent,

This year will be implementing an automatic notification system in the event of an emergency closure. In the event of an emergency closure, all the emergency contacts on this form will receive a recorded message. This is for emergency closure only; any medical emergencies will still use the Health Emergency forms. Please complete this form and return to school immediately so that this information can be entered into the school database. We will notify you when the system is up and running. In the interim we will use our old system of classroom phone chain. When inclement weather occurs tune into KYW for MC #341 for closings and early dismissal especially on days when the weather is inclement. Please note school buses will be following the decision of the public school district.
