

# Join us for our monthly Market Day

Since starting Market Day in May 2005 over \$3550.00 has been earned. And recently your support has earned us a freezer!

Market Day is a monthly food co-op. Each month a form is sent home and it may be returned to school with your order or you may order over the internet at [www.marketday.com](http://www.marketday.com) You may pay with credit card online or pay by check (payable to Market Day) or cash when picking up your order. If you haven't tried us give us a try! If you have tried us please continue to order.

We also need help when the products are delivered to the church hall. So if you would like to help your child's school but work and can't help at school maybe this would be a great way to do your part! We need helpers from 6:30 to 8PM to help unload the truck. If you could help out monthly or just a few times during the year please let me know! The older children can help too! Our entire school population benefits from these efforts so please find time to make this possible!

Thank you!

Please complete the bottom of this form and return it to school.
